We passed another week of Parsons House being VIRUS FREE! This streak of 'good health' is a combination of our staff staying healthy and practicing safe PPE procedures and continually cleaning surfaces around the community; our amazing residents who are frequently washing hands, wearing protective masks and keeping social distancing awareness; and most important in this chain, is our families that recognize the best thing they can do to keep their loved one healthy and safe is not to visit personally.

As we have all heard, parts of Nebraska are starting to open back up for business with restrictions. Due to guidelines issued regarding recommended PPE use for those residents leaving the community we are asking all residents to refrain from leaving the community for any and all visits that are not related to emergency medical visits. We can zoom, facetime, and assist with go to meetings for any and all Dr visits. If you need assistance in scheduling those appointments please call Michele, MaryAnn, and Cynthia in the nursing department and they can even call your doctor and help get those scheduled for you.

Our enthusiasm to live life to the fullest continues. Julie and her staff continue to come up with innovative activities and we all look forward to all the fun to come!

All residents, when out of their rooms are asked to wear their cloth masks they have been provided.

Our Residents and Staff continue to be healthy! We appreciate and thank you for your wonderful support and cooperation to continue this streak of staying healthy and safe.

Nursing

To keep everyone as healthy as possible we are still limiting contact to the outside world. I know that it is a hard thing to do, but it is something we must continue practicing. We also are having residents wear a mask anytime they are out of there rooms. If you have any questions, please reach out to Mary Ann at Maryann.hoaglund@parsonshousemgt.com.

We will soon be switching pharmacy providers to Community Pharmacy. There are multiple benefits to the this change. We will be mailing out welcome letters and consent forms in the next week. As of Mid-June Redlers will no longer service Parsons House residents. Please contact MaryAnn should you have questions.

Just of few of our lovely spectators getting ready to watch the race.

On your mark, get set, GO.....

We had a fun time betting on the winner during the NASCAR Race Day.

June Birthdays

In astrology, those born between June 1 and 20 are the Twins of Gemini. A Gemini's dual nature is expressed through skillful communication and dynamic sociability. The Twins are energetic, quick-witted, optimistic, and emotionally intelligent. Those born between June 21 and 30 are Cancer's Crabs. Crabs care deeply about their family and home. After all, they carry one on their backs! Guided by their hearts, Crabs are sympathetic and loyal friends and imaginative collaborators.
